

CITY OF WILLIAMSBURG

MEMORANDUM

TO: Planning Commission

DATE: November 2, 2004

**SUBJECT: Jamestown Road Neighborhood Focus Area
November 4 Public Forum**

Attached is a draft of the packet for the November 4 public forum, as well as the written comments received to date. As we decided at the last work session, this is set up for one big group instead of the breakout groups that we had at our last meeting.

Let me know if you have any comments or suggestions.

Reed T. Nester, AICP
Planning Director
